WORK EXPERIENCE

WORKPLACE CONSULTANT/DESIGNER

Form Design Consultants   **Aug 2017 - Present**

- Hired following 2 university summer placements (2016/17)
- **Commercial Design expertise**: offices, receptions, hotels
- **Software** proficiency required in this role: SketchUp, 2D AutoCad, Photoshop, PowerPoint, Excel, Outlook.
- **Design Responsibilities**: to prepare accurate drawings and specifications from concept stage through to full construction issue including hand drawn sketches, computer generated images, sample boards, presentation documents, CAD drawing packages for Tender & Construction, NBS, Schedules. As well as Building Warrant, Listed Building and Planning applications
- **Project lead/client liaison:** take a lead role on small to medium sized projects, supporting senior team members on larger projects, developing relationships with key client contacts..
- **Extra tasks**: To develop Form's new sustainability and wellbeing service. Framework of which is based on my Master's dissertation.

INTERIOR DESIGNER

Joelle Reid Interiors   **Oct 2016 - Jun 2017**

- **Residential design** experience during the last year of my studies that influenced my understanding of fabrics, complex colour schemes.
- Hospitality Design

EDUCATION

ADVANCED SUSTAINABLE DESIGN

The University of Edinburgh   **2017 - 2018**

- My dissertation theses: "How can the discipline of Interior Design deliver healthier office environments that promote wellbeing and productivity?"

INTERIOR AND SPATIAL DESIGN

Edinburgh Napier University   **2013 - 2017**

- First-Class Honours of 81%
- Class Medal as the best in class for the final project: "AlterNative" sustainable hub/cafe on the Victoria bridge.
- Erasmus at École de design Nantes Atlantique (2016)
